## Donate

Your generous donations help us continue our mission.

The image shows a donation page layout. On the left, there's a section titled "About us" with a photo of two hands holding a small object. Below it is a red box containing the text "The origins of constellations date back to prehistoric times." In the center, there's a section titled "Build your community" with a grid of icons including a hand, a heart, a house, and a person. To the right of these sections is a sidebar with the text "Constellations can change according to the season of the year", "Headquarters", "Contact", "www.website.com", and social media links. At the bottom right is a logo for "NGO NAME". A large green button at the bottom left says "Donate Now".
